Devanathan kanchipuram devanathan gurukkal devanathan kanchipuram videoDear Mountaineers, I understand that shortly before accepting the job at the University of Michigan, I asked that you respect my decision, even though it might mean rejecting the job. I want to tell you why this wasn't a good idea on my part. I've thought a lot about this, and I want to explain why I've decided to continue my involvement in athletics at the University of Maryland. I believe the decision to remain with the Mountaineers will not only allow me to be closer to my family, but also allow me to pursue other opportunities after I leave the school in 2002. I regret that I haven't been able to spend the last few months with you, coaches and student-athletes at West Virginia, but I would never have exercised my option to leave had I thought the future of the Mountaineers was bleak. I truly believe in your program and the success of the University of Mountaineer's sports programs. I respect the job you're doing and the effort you're putting forth. I'm going to work with the coaches and players on a daily basis, and I appreciate their eagerness to help me develop. I'll have a good chance to work with their players now that the spring practice season is underway, and I'm looking forward to this. I want to thank you for your confidence in me, and I look forward to a long and mutually beneficial relationship. I'm proud to represent this great school in all I do and I'll always be a loyal Mountaineer. Sincerely, Randy
